

Homework MENU

Chose at least one of the following activities to complete during this half term. Please hand in your completed work by **Friday 13th December**. Remember you get 10 house points for your team for every piece completed.

Please put in your best effort and be prepared to share your work.

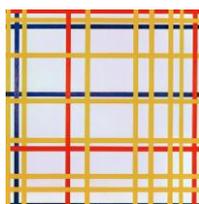

Geography

Design and draw your own compass showing accurately where North, South East and West are located.

Art

Create your own piece of art in the style of Piet Mondrian.

Spelling

Remember to practise reading, writing and spelling your common exception words.

Our school Values

Create a poster to share and celebrate our new school values: Independence, Resilience and Consideration.

Science

Create your own mind map showing all the things a human needs to survive.

History

Chose your favourite significant person and draw a picture of them. Write a sentence explaining why they are your favourite.

Christmas

Create a Christmas decoration to display in your classroom.

DT

Design and create a new school lunch. Take a photo and share it with your class. Gather data to see how many children would choose your lunch.

Reading

Please make sure you are reading every day.
