

# Year 1 Homework Menu

## Spring 1

Don't forget your daily reading!

Choose at least **one** of the following homework activities. We expect you to put in your best effort and be prepared to share your work with the rest of the class. The most important thing is to be creative and enjoy yourself! Please hand your homework in by **Friday 7<sup>th</sup> February** to receive your 10 house points.

### Bright Lights Big City - London

Look at pictures of London and draw a picture to show some of the human features that can be found there.

### Watch the Weather

Carry out your very own weather study. Record what the weather is each day and present your data in a tally chart to show how many rainy and sunny days we have had.

### Art

Draw a picture to represent the UK's four seasons.

### A Map

Watch a video showing sites of London. Write a postcard to a friend telling them about your day. You could include how you travelled; how busy it was and which physical and human features you saw.

### Feeling creative?

If you have a better idea than ours, use your creative talents to show us what you have learnt about our capital city and our seasons.
